

Draft Publication Dates 2017-2018

All submissions are due by 9 a.m. on the submission due date.

Dates are subject to change. Please check each Torch issue or Order of Service for schedule changes.

Please Note:

The Torch will be full mailed paper and email/online production, once per month, usually on the first Monday of each month. All the usual Torch submissions will be accepted: columns, articles, announcements, photos, etc. Submissions will generally be due 1 week prior to the publish date.

The **Torch Supplemental** will be available email/online only. The Torch Supplemental will be for announcements and short blurbs/pieces of information/updates and will be produced weekly with the exception of the week the full Torch is published or during times when there is little or no new church activity (Summer, between Christmas and New Year, etc.).

Orders of Service are published each Sunday during the regular church year, and are generally due the previous Thursday.

Those submitting an announcement for the the Order of Service or Torch Supplemental will have the announcement published in both, unless they specify otherwise. Both the OOS and the Supplemental will be produced roughly at the same time but will be in different formats.

All items published in The Torch and will also be available as individual “stories” in the Latest News section of our website unless specified otherwise.
